

Message Regarding COVID-19

POSTED OCT. 9, 2020

Thank you to our valued customers for your tremendous support to your locally owned music store.

Our store is operating in compliance with the Government of New Brunswick and Health Canada. With Premier Higgs' announcement starting on October 9, 2020, wearing a facial mask is mandatory in all indoor public spaces. We thank you for your cooperation.

Prior to entering the store, we ask that you put on your mask. Upon entering the store, we can provide you with a mask if you do not have one, and ask that you sanitize your hands at our entrance, to please keep a minimum 6' distance from other customers, and to wait for an employee to assist you before roaming through the store.

Handling and demonstrations of merchandise will be conducted by the sales person, with some opportunity for you to personally experience the merchandise at the discretion of the employee.

For our customers who prefer not to enter the store, we are continuing to offer Curbside pick up, and free delivery in the Fredericton region. Delivery/shipping to outside areas can be arranged at a modest cost to you. Some exceptions apply. Purchases conducted by Curbside pick up/Delivery can be processed by e-transfer, or by providing your credit card information by phone.
